

JAKE TYLER (ACTOR)

SUMMARY

If I can not appreciate my art even more than my audience does, there is no reason to create it at all. I am a storyteller who likes to make people laugh and sometimes make them very uncomfortable. I choose to place myself before my art as though I have never seen it before and I'm driven by my excitement to experience the result alongside those that stand beside me.

ATTRIBUTES

6'2" / 188cm (Height) 200lbs / 86kg
